Subject: Award of Walking Trail Bid

Bids were received for the Walking Trail Project on 8-21-14. The apparent low bidder was disqualified after a review of their financial statements by our County Auditor. We recommend awarding to RoeschCo in the amount of \$430,000.00. After discussions with the Sheriff's Office we recommend not taking the alternate for an additional sidewalk from the Sheriff's office to the bridge.

Thank you for your consideration
